Overview

Dr. P V Naresh Kumar is a highly accomplished Cardiothoracic and Vascular Surgeon with over 25 years of extensive experience in his field. Based in Hyderabad, Telangana, Dr. Kumar is renowned for his expertise in a wide range of surgical procedures, including total arterial revascularisation, minimal invasive cardiac surgery, and advanced aortic and mitral valve repairs. His commitment to patient care is evident in his specialisation in heart and lung transplantation, as well as complex congenital repairs.

Dr. Kumar's sterling academic credentials include an MS in General Surgery and a prestigious MCh in Cardiothoracic and Vascular Surgery from AIIMS. He further enhanced his skills with a fellowship in Minimal Invasive Cardiac Surgery and Heart & Lung Transplantation. He currently serves as a Senior Consultant and Professor in CTVS, bringing both clinical and academic excellence to his practice. Fluent in multiple languages—including English, Hindi, Telugu, Oriya, Marathi, Kannada, and Tamil—Dr. Kumar is well-equipped to connect with a diverse patient population. His innovative approach to surgery encompasses a variety of sophisticated techniques, such as aortic aneurysm surgery, LVAD, and left ventricular reconstructions and remodelling.

Patients seeking advanced cardiovascular care can rely on Dr. P V Naresh Kumar for his focused expertise and unwavering dedication to improving patient outcomes. He is recognized as one of the leading surgeons in his specialty and is committed to upholding the highest standards of surgery and patient care.
