Overview

Dr. Rashi Agrawal is a highly skilled Endocrinologist based in Mumbai, Maharashtra. With over 8 years of extensive experience in the field, she specializes in diagnosing and treating a wide range of endocrine disorders, ensuring a comprehensive approach to patient care. Dr. Agrawal holds notable qualifications including MBBS, MD in Paediatrics, and DM in Endocrinology, which equip her with a solid foundation and in-depth knowledge in her specialty. She is known for her clear communication skills and is fluent in multiple languages, including English, Hindi, Gujarati, Malayalam, Konkani, and Marathi, which allows her to connect with a diverse patient population.

Her dedication to advancing medical knowledge in endocrinology is well recognized, with accolades such as the Best Paper Award at T-ENDOCON 2023 and a second prize in oral presentation at ENDO UPDATE 2022. These achievements reflect her commitment to research and education within her field.

Dr. Agrawal practices at Apollo Hospitals, where she strives to provide the highest standard of care to her patients. She is passionate about empowering her patients through education about their conditions and treatment options. Whether it's managing diabetes, thyroid issues, or other hormonal disorders, Dr. Rashi

Agrawal is dedicated to improving her patients' quality of life through effective medical interventions and personalized care.
