Overview

Dr. Ranjit Kumar Joshi is a highly experienced paediatrician based in Bhubaneswar, Odisha, with over 20 years of dedicated service in the field of child health. He holds an MBBS and an MD in Paediatrics, complemented by a Fellowship in Neonatology from the Indian Academy of Paediatrics (IAP). Dr. Joshi's extensive qualifications enable him to provide exceptional care to infants, children, and adolescents. His commitment to excellence in healthcare is evident through his role as a National Trainer for the Newborn Resuscitation Programme (NRP), where he shares his expertise to improve neonatal outcomes nationwide.

Fluent in multiple languages, including English, Hindi, Oriya, Bengali, Odia, Punjabi, and Bhojpuri, Dr. Joshi effectively communicates with a diverse patient population, ensuring all families feel understood and cared for. His practice is known for its compassionate approach, where he not only addresses the medical needs of his young patients but also supports their families throughout the healthcare journey.

As an exclusive partner in his practice, Dr. Joshi is committed to providing tailored health solutions that prioritize children's wellness. His passion for paediatrics is matched by his meticulous attention to detail

and a strong belief in preventive healthcare. Whether it's routine check-ups, vaccinations, or specialized care for complex medical conditions, parents can trust Dr. Ranjit Kumar Joshi to deliver the highest standard of paediatric care.
