Overview

Dr. Balasubramanian S is a highly experienced Nephrologist based in Chennai, Tamil Nadu, with a remarkable tenure of 25 years in the field of medicine. He holds an MD in General Medicine and a DNB in Nephrology, ensuring that he is well-equipped with the knowledge and expertise to handle a wide range of kidney-related health issues. Dr. Balasubramanian has dedicated his career to providing top-notch care and innovative treatment options for patients suffering from conditions such as chronic kidney disease, hypertension, and electrolyte imbalances. His comprehensive approach to nephrology emphasizes patient education, prevention, and personalized treatment plans to improve overall health outcomes. Fluent in multiple languages including English, Tamil, Bengali, and Hindi, he is able to connect with a diverse patient demographic, making him a sought-after physician in the region.

As a part of the Apollo Hospitals group, Dr. Balasubramanian is committed to integrating advanced medical practices with compassionate patient care. His patients appreciate his attentive nature, thorough diagnostic methods, and ability to convey complex medical information in an understandable manner. Whether you are dealing with acute renal issues or seeking consultation for chronic conditions, Dr.
