Overview

Dr. Sukanya Govindan is a highly skilled Paediatric Nephrologist based in Chennai, Tamil Nadu, with over 7 years of dedicated experience in her field. She holds an impressive academic background, having completed her MD in Paediatrics, followed by a DM in Nephrology, and is a Fellow of the International Society of Nephrology (FISN). Her expertise primarily focuses on the diagnosis and management of kidney disorders in children, ensuring the best possible care for her young patients. Dr. Govindan is not only known for her medical proficiency but also for her compassionate approach towards her patients and their families. She believes in building strong, trusting relationships, which is crucial in paediatric care. Being multilingual, she is proficient in English, Hindi, Tamil, and Punjabi, allowing her to communicate effectively with a diverse patient population. This ability to connect with families from various backgrounds enhances her practice and patient satisfaction. As part of the esteemed Apollo healthcare network, Dr. Govindan is committed to providing leading-edge treatments and fostering a supportive environment in her practice. Her passion for paediatric nephrology and her continuous pursuit of knowledge make her a valuable asset to her patients and the medical community.
