Overview

Dr. Praveen Jaiswal is a highly skilled and dedicated Interventional Cardiologist with a strong academic foundation and hands-on expertise in managing complex cardiovascular conditions. He obtained his DM in Cardiology from the esteemed SCB Medical College, Cuttack, Odisha in 2023. Prior to this, he completed his MD in Medicine from Netaji Subhash Chandra Bose Medical College (NSCB), Jabalpur, Madhya Pradesh in 2016, and his MBBS from Shyam Shah Medical College (SSMC), Rewa, Madhya Pradesh in 2007.

Dr. Jaiswal has a special focus on interventional procedures and evidence-based management of heart diseases. His clinical practice spans the treatment of coronary artery disease, heart failure, arrhythmias, and structural heart conditions. He is proficient in advanced cardiac interventions including angioplasty, stent implantation, pacemaker insertions, and peripheral vascular procedures.

Known for his patient-centric approach, Dr. Praveen Jaiswal combines clinical expertise with the latest diagnostic and therapeutic technologies to provide comprehensive and compassionate cardiac care. He stays actively engaged in academic updates and continuous medical education to ensure his patients receive the highest standard of care aligned with current cardiology advancements.
