Overview

Dr. Bangalore Ramanna Prabhakar is a highly esteemed General Physician and Internal Medicine specialist with over 22 years of dedicated experience in the medical field. Based in the vibrant city of Bangalore, he has built a reputation for his comprehensive approach to patient care, combining his extensive knowledge with a compassionate demeanor. Dr. Prabhakar earned his MBBS and MD degrees, equipping him with a solid foundation in medical science and clinical practice. His educational background, coupled with years of hands-on experience, allows him to diagnose and treat a wide range of health conditions effectively. At Apollo Hospitals, Seshadripuram, Dr. Prabhakar is committed to providing personalized care tailored to the unique needs of each patient. He believes in fostering a collaborative environment where patients feel comfortable discussing their health concerns. His clinical focus encompasses various aspects of internal medicine, including chronic disease management, preventive care, and health education. Dr. Prabhakar emphasizes the importance of understanding the whole person, not just their symptoms, which enables him to develop comprehensive treatment plans that promote overall well-being. Dr. Prabhakar's association with Apollo Hospitals, Seshadripuram reflects his

commitment to excellence in healthcare. The hospital's state-of-the-art facilities and multidisciplinary approach align perfectly with his philosophy of delivering high-quality medical care. Patients can expect a warm, welcoming atmosphere where their health is the top priority. With Dr. Prabhakar at the helm of their healthcare journey, patients can rest assured that they are in capable hands, receiving the highest standard of medical attention in a supportive and nurturing environment.
