Overview

Dr. Sneha Mohanan is a highly esteemed General Physician and Internal Medicine specialist with an impressive 18 years of experience in the medical field. Based in Bangalore, she is currently associated with Apollo Hospitals Bannerghatta Road, where she has made significant contributions to patient care and clinical excellence. Dr. Mohanan's extensive educational background includes an MBBS degree, along with specialized certifications such as FCD (IMA), CCMTD (PHFI), and CCEBDM (PHFI). This robust foundation equips her with a comprehensive understanding of various medical conditions, enabling her to provide holistic and effective treatment plans tailored to each patient's unique needs. Dr. Mohanan is dedicated to fostering a compassionate and supportive environment for her patients. She believes in the importance of building strong doctor-patient relationships, which she achieves through open communication and active listening. Her clinical focus encompasses a wide range of internal medicine issues, allowing her to address complex health concerns with a thorough and methodical approach. Dr. Mohanan is particularly passionate about preventive care and chronic disease management, empowering her patients with the knowledge and tools necessary to maintain their health and well-being. Her

commitment to continuous learning and staying updated with the latest advancements in medicine ensures that her patients receive the highest standard of care. At Apollo Hospitals Bannerghatta Road, Dr. Sneha Mohanan is not only a trusted physician but also a valued member of a multidisciplinary team dedicated to delivering exceptional healthcare services. Her collaborative approach with other specialists and healthcare professionals enhances the overall patient experience, ensuring comprehensive care that addresses all aspects of health. With her wealth of experience, educational credentials, and a patient-centered philosophy, Dr. Mohanan stands out as a leading figure in internal medicine, making a positive impact on the lives of her patients and the community at large.
