Overview

Dr. Manjeet Gupta is a highly skilled dermatologist with six years of dedicated experience in the field of skin health and aesthetics. Based at Apollo Hospitals on Seepat Road in Bilaspur, Dr. Gupta has built a reputation for his comprehensive approach to dermatological care, combining his extensive knowledge with a compassionate touch. His educational background is impressive, holding an MBBS degree followed by specialized training in dermatology, including qualifications as a DDVL Dermatologist, Cosmetologist, Venerologist, and Leprologist. This diverse expertise allows him to address a wide range of skin conditions, from common ailments to complex dermatological issues. Dr. Gupta is committed to providing personalized care tailored to each patient's unique needs. He believes in fostering a warm and welcoming environment where patients feel comfortable discussing their concerns. His clinical focus encompasses various aspects of dermatology, including cosmetic procedures, treatment of skin diseases, and management of sexually transmitted infections. By staying updated with the latest advancements in dermatological science and technology, Dr. Gupta ensures that his patients receive the most effective and innovative treatments available. His approach emphasizes not only the physical aspects of skin health but

also the emotional well-being of his patients, recognizing the profound impact that skin conditions can have on self-esteem and quality of life. As a valued member of the Apollo Hospitals team, Dr. Manjeet Gupta embodies the hospital's commitment to excellence in patient care. His dedication to continuous learning and improvement reflects the hospital's mission to provide top-tier medical services in a supportive and patient-centered environment. Whether you are seeking treatment for a specific skin condition or looking to enhance your skin's appearance, Dr. Gupta is here to guide you on your journey to healthier skin. With his expertise and compassionate approach, patients can trust that they are in capable hands at Apollo Hospitals.
