Overview

Dr. Ravi Teja Cheela is a dedicated and compassionate paediatrician with over seven years of experience in providing exceptional healthcare to children. Based at Apollo Hospitals, DRDO, Kanchanbagh in Hyderabad, Dr. Cheela has built a reputation for his expertise in managing a wide range of paediatric conditions, from common childhood illnesses to complex health issues. His educational background is impressive, holding an MBBS and an MD in Paediatrics, along with a Post Graduate Program in Nutrition (PGPN). This solid foundation equips him with the knowledge and skills necessary to deliver comprehensive care tailored to the unique needs of each child. Dr. Cheela's clinical focus encompasses preventive care, early diagnosis, and effective management of various paediatric disorders. He is particularly passionate about promoting healthy lifestyles among children and educating parents on nutrition and wellness. His approach to patient care is characterized by empathy, patience, and open communication, ensuring that both children and their families feel comfortable and informed throughout their healthcare journey. Dr. Cheela believes in fostering a supportive environment where parents can actively participate in their child's health decisions, which is essential for achieving the best possible

outcomes. As a valued member of the Apollo Hospitals team, Dr. Ravi Teja Cheela is committed to upholding the hospital's mission of providing high-quality healthcare. His association with this esteemed institution allows him to leverage advanced medical technologies and collaborate with a multidisciplinary team of specialists, ensuring that his young patients receive the best care available. Dr. Cheela's dedication to paediatric health and his warm, professional demeanor make him a trusted choice for families seeking expert medical care for their children.
