Overview

Dr. Sudhir Jadhav is an accomplished Plastic and Reconstructive Surgeon at Apollo Hospitals, Pune, with over 15 years of experience in the field. He holds an extensive academic background with qualifications including MBBS, MS, DrNB, and MCh (Plastic & Reconstructive Surgery), highlighting his dedication to advanced training and clinical excellence. His expertise spans both cosmetic and reconstructive surgery, enabling him to provide comprehensive care to a wide range of patients.

Proficient in English, Hindi, and Marathi, Dr. Jadhav is able to connect effectively with patients from diverse backgrounds, ensuring that their concerns are fully understood and addressed. His areas of specialization include cosmetic enhancements, trauma and reconstructive procedures, and minimally invasive techniques. With a strong focus on safety, precision, and natural outcomes, he works closely with patients to tailor treatments according to their unique goals and needs.

At Apollo Hospitals, Dr. Jadhav integrates cutting-edge technology and evidence-based practices into his surgical approach, delivering results that meet the highest standards of care. Known for his patient-centric philosophy, he emphasizes trust, education, and compassionate support throughout the treatment journey.

Through his expertise and commitment, Dr. Sudhir Jadhav has built a strong reputation as a trusted name in plastic and reconstructive surgery in Pune.
