Overview

Dr. Naveen Karthik Raja is a skilled and compassionate General Surgeon at Apollo Speciality Hospitals, Trichy, with 7 years of clinical experience in the field of general surgery. He holds an MBBS and a Master of Surgery (MS) in General Surgery from Dr. NTR University of Health Sciences, Andhra Pradesh. Further enhancing his surgical expertise, Dr. Raja has earned prestigious certifications including FIAGES (Fellowship of Indian Association of Gastrointestinal Endo Surgeons) and MMAS (Minimal Access Surgery).

Known for his precision, clinical acumen, and dedication to patient safety, Dr. Raja provides expert care across a wide spectrum of general surgical conditions—ranging from routine procedures to complex minimally invasive surgeries. His meticulous approach ensures optimal outcomes, whether managing emergencies or conducting planned interventions.

Fluent in English and Tamil, Dr. Raja places a strong emphasis on clear, empathetic communication, guiding patients through each stage of their surgical journey with confidence and care. He is widely appreciated for his ability to explain procedures and treatment options in an accessible, reassuring manner.

At Apollo Speciality Hospitals, Dr. Raja integrates modern surgical techniques and evidence-based practices, prioritizing fast recovery, reduced discomfort, and improved quality of life for his patients. His ongoing commitment to professional development and excellence in surgical care makes him a trusted

choice for individuals seeking comprehensive and patient-focused surgical solutions in Trichy.

Experience

- Assistant Professor Trichy SRM Medical College and Hospital, Trichy, India
- Successfully performed over 200 surgeries in the General Surgery department of a leading hospital.
- Experienced in providing a variety of advanced surgical procedures such as hernia, colorectal and open abdominal surgery.
