Overview

Dr. Sakshi Gagneja is a dedicated Endocrinologist at Apollo Hospitals, Lucknow, with over 7 years of experience in diagnosing and treating a broad spectrum of endocrine disorders. She holds an MBBS, a DNB in Medicine (Gold Medalist), and a DrNB in Endocrinology, reflecting her academic excellence and deep specialization in hormone-related conditions.

Fluent in English and Hindi, Dr. Gagneja ensures clear, empathetic communication with her patients, helping them understand their health conditions and treatment plans thoroughly. Her expertise covers a wide range of endocrine issues, including diabetes, thyroid disorders, PCOS, adrenal and pituitary gland disorders, and metabolic bone diseases. She is known for developing personalized treatment approaches that address both immediate concerns and long-term health goals.

Dr. Gagneja is deeply committed to continuous medical learning and integrates the latest advancements in endocrinology into her practice. She prioritizes patient education and empowerment, fostering a collaborative care environment. With her clinical precision and compassionate approach, Dr. Sakshi Gagneja has become a trusted name in endocrine healthcare in Lucknow.
