Overview

Dr. Jayachandran PK is an accomplished **Medical and Hemato-Oncologist** with over **13 years of experience** in the diagnosis and treatment of various cancers. He holds a strong academic foundation with qualifications including **MBBS, MD (General Medicine), DM (Medical Oncology)**, and international credentials such as **MRCP (UK)** and **FRCP (Glasg)**. His extensive training includes **ECMO, SCE Oncology, PGDMLE**, and an **Advanced Certification in Molecular Oncology**, along with fellowship training in **CAR-T therapy and Bone Marrow Transplantation**.

Fluent in **English, Hindi, Tamil, and Telugu**, Dr. Jayachandran is known for his empathetic communication and patient-centric approach, making cancer care accessible and reassuring for patients from diverse linguistic backgrounds.

Dr. Jayachandran's clinical expertise spans a wide range of solid tumors and hematological malignancies, with a focus on personalized and evidence-based cancer therapies including **chemotherapy, immunotherapy, targeted therapy**, and **precision medicine**. He is also actively involved in **clinical trials, CAR-T cell therapy**, and **translational oncology research**, keeping him at the forefront of

emerging cancer treatments.

With a strong academic and research profile, Dr. Jayachandran has authored over **55 peer-reviewed publications** and is an **iCMLf Fellow, CRTI Scholar (ASH)**, and recipient of multiple national and international awards for clinical excellence and academic contributions.

Patients seeking comprehensive oncology care in Chennai can rely on Dr. Jayachandran PK for his deep medical expertise, cutting-edge treatments, and compassionate care philosophy.
