6. How many years of experience does Dr. Anupama K have?

Dr. Anupama K possesses 20 years of experience in the medical field. Details of her past practice locations are not available here.

7. Who is an Ear-Nose-Throat (ENT) Specialist?

An otolaryngologist, also known as an ENT doctor, specializes in diagnosing and treating ear, nose, and throat disorders. This branch of medicine focuses on conditions affecting the ears, nose, throat, and related head and neck areas.

8. Is an Ear-Nose-Throat (ENT) Specialist different from an Otorhinolaryngologist?

An otorhinolaryngologist is a physician specializing in ear, nose, and throat (ENT) conditions. The term ENT specialist is a more commonly used synonym. ENT doctors manage a wide range of ear, nose, and throat health issues, utilizing both medical and surgical treatments as needed. They address and correct defects affecting these areas.

9. Is a referral needed to see an ENT specialist?

Appointments with ENT specialists are typically scheduled in advance. Walk-in consultations may also be available, though wait times may apply. Referral from another physician is sometimes required, depending on the specific situation.

10. Should I consult an ENT specialist for sinusitis?

An Ear, Nose, and Throat (ENT) specialist is qualified to diagnose and treat sinusitis, a chronic sinus infection. While a primary care physician can offer initial care, an ENT's expertise in the interconnected anatomy of the ear, nose, and sinuses makes them the ideal medical professional for comprehensive sinusitis treatment.
